Ride-Along with Henderson Fire Fighters Station 83

I recently had the opportunity to visit Captain Ventling and his team at Station 83. I am grateful for the role they play and the job they do in keeping our residents and businesses safe. As a law enforcement veteran, I learned more about their behind the scenes operation, policies, procedures, and the good work they do for our community.

An Evening with our Governor

My colleagues and I had the opportunity to attend a special event, Pinot & Politics, featuring Governor Joe Lombardo. He shared legislation that is impacting small businesses, and work being done to improve our healthcare and education sectors. Thank you, Governor.

Coming up on September 21 --Swing by Anthem Hills Park for Paseo Verde's Celebration!

Our own Paseo Verde Little League team delivered an impressive performance in the Little League World Series, winning two games in Williamsport, PA. The team's dedication and spirit have been exceptional throughout this journey with their efforts being deeply inspired by Colston Delk, a young player from Paseo Verde's 10U team, who was diagnosed with stage 4 neuroblastoma in April. To celebrate Henderson's second consecutive year representing the Mountain Region, join us in honoring these young athletes at their home field, Anthem Hills Park, September 21 at 11a.m. Ballpark food will be provided.

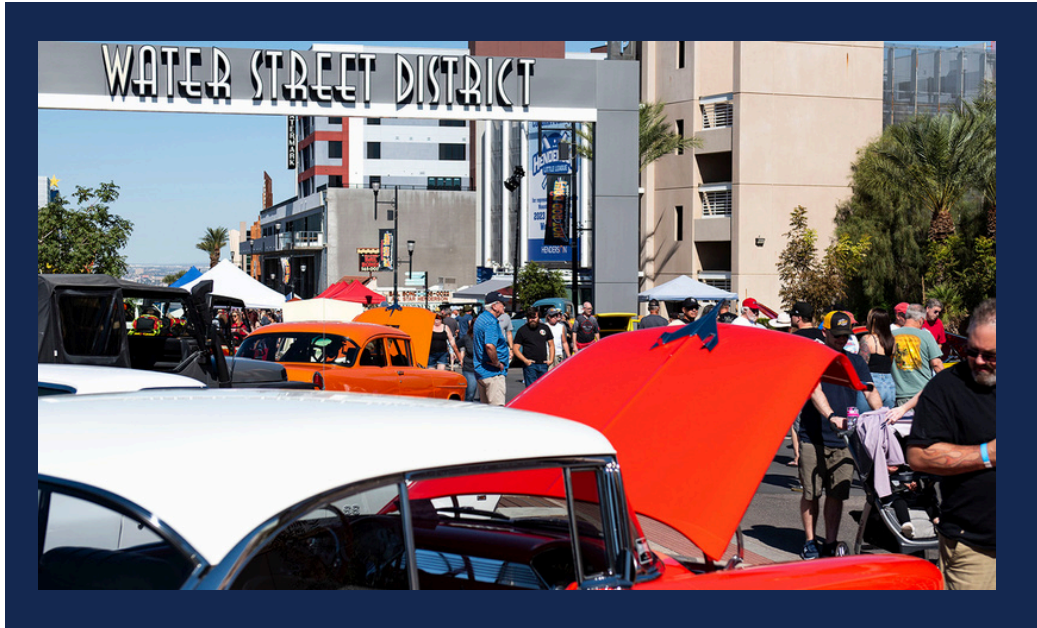

Disney's "Frozen"

Join us on September 27th at the Water Street Plaza for a special viewing of Disney's most beloved movie, "Frozen!" Enjoy the film on the big screen with a special live performance of the Grammy-winning music by the Henderson Symphony Orchestra. The show starts at 8 p.m.

Seating is available first-come, first-served. Guests are welcome to bring their own chairs and blankets. The playground will be closed during this event.

Henderson Hot Rod Days October 4 & 5

Save the date for one of the most popular events of the year. Henderson Hot Rod Days will be back this October. Held in partnership with the Boulder City Cruisin' Association, Water Street will transform into an automobile enthusiast's dream, showcasing 600 classic, custom and muscle cars along with trucks and motorcycles. A variety of rock bands will provide the soundtrack to the weekend's festivities!
