Washington D.C. Fly-In

Last month I spent a week in Washington D.C. with Mayor Michelle Romero and the Vegas Chamber on their annual fly-in. We were able to lobby on issues impacting Henderson with other state representatives and our federal delegation. Topics included affordable housing, traffic infrastructure, and water. We heard from Nevada's entire federal delegation and held individual meetings with Senators Catherine Cortez Masto and Jacky Rosen.

An incredible turnout for the city's National Night Out. Thank you to our first responders for being such an exceptional presence in our community. Congratulations to Fire Chief Scott Vivier and Police Chief Holly Chadwick for a great evening.
