Newsletter – January 2025

Dear Friends and Neighbors,

Hard to believe we are heading into the second month of 2025. Our ward has been extremely busy with new business openings and the Watermark development on Water street is back on track.

I wish you an early Happy Valentines Day and be sure to hug the people you love.

-Jim

## Oath of Office 2025

I had the honor of being sworn in again as the City Councilperson representing Ward 1. Thank you to my family, my mom, wife Barbara and my children for your support. I look forward to serving and continuing to work hard for our residents and businesses.

## Thank you Henderson Fire

Thank you to our Henderson Fire Department alongside the Las Vegas, North Vegas, and Clark County departments for their selfless sacrifice and hard work they undertook in California during the wildfires. I am very grateful they all made it home safe.

## Green Valley District Menorah Lighting

It was an honor to be asked to speak at the Menorah Lighting at The District to celebrate Chanukah with our local Jewish community. Thank you for including the City in this celebration.

## Ribbon Cutting at Camp Run-A-Mutt

Please welcome Camp Run-A-Mutt to the community, located at 540 S. Boulder Highway. Visit [www.camprunamutt.com/henderson/](http://www.camprunamutt.com/henderson/) for more information. They provide daycare & overnight boarding with constant supervision for your dog as well as grooming & obedience classes.

## Update on The Watermark

I am excited to share the great news that the construction on The Watermark on Water Street is back on track. That you to City staff who worked hard with all parties involved to make this iconic Downtown Henderson location a reality.

## Nevada State of the State

It was a pleasure to represent our City at Governor Lombardo's State of the State Address. I look forward to his continued leadership which aligns with our strategic priorities.

## January's Morning Meet-Up

Thank you to those who attended my first Morning Meet-Up of 2025. This is an opportunity to have one-on-one discussions about topics you want to discuss. I highly encourage you to be a part of these conversations.

## Opening of Blooming Cactus Park

Check out Blooming Cactus Park in the Cadence community, located at 410 Grand Cadence Drive. It has something for the whole family, but the Ninja Warrior course has to be one of their best amenities.

## Welcoming Haas Automation to Henderson

The welcome wagon continues on for Haas Automation. The Henderson Chamber of Commerce hosted a wonderful program for those who were looking to network and connect with the advanced manufacturer.

## Henderson Farmers Markets

Be sure to add to your schedule the upcoming Farmers Market at 129 S. Water Street on Friday, February 28 from 4 p.m.- 8 p.m.

## Community Connections

Join me on February 5 at 5:30 p.m. for the first Community Connections of 2025, at Heritage Park Senior Facility. You will be able to connect with other city leaders as well Henderson Police and Fire staff to share your questions and concerns.
