Newsletter – April 2025

Dear Friends and Neighbors,

A few updates for you. The Lakemoor development phase of removing all asbestos contaminants has been completed and the Watermark Development on Water Street is moving along.

We have a lot of special events coming up listed at the end of this newsletter, and I invite you to participate and enjoy them with your family and friends.

Both of my children are graduating high school next month, so I want to congratulate all the graduates, no matter the level of education you're at and send you good wishes for your future.

Malcolm Baldrige Award

I had the great honor of joining Mayor Romero, City Council, and several other city officials in Baltimore as we accepted the Malcolm Baldrige Award on behalf of the City of Henderson. This award is the highest national honor a city can receive for performance excellence, and Henderson is only the fifth city in the country to earn it.

Thank you to all who joined us for this year's Arbor Day Celebration at Morrell Park. It was a privilege to see all the incredible work our community is doing to continue to be green in our desert.

Henderson Chamber Economic Development and Small Business Awards

A great evening was spent celebrating and honoring our city partners and businesses at the Henderson Chamber of Commerce's Economic Development and Small Business Awards. I had the honor to present Joe DeSimone with the City of Henderson Redevelopment Project of the Year award.

Henderson Firefighters Annual Golf Tournament

There was no better way to spend a wonderful Friday morning than supporting our Henderson Firefighters by playing golf at the Annual Henderson Firefighters Benevolent Association (HFBA) Jeff Mann Invitational Golf Tournament. Not only did I play with good friends but I also was a sponsor for the tournament, Good times were had.
