Newsletter – May 2025

Dear Friends and Neighbors,

We have opened quite a few new eateries in Ward 1, which has been exciting. Now we will turn our focus on other needed services.

The bid request for the former Fiesta site is now out, and hopefully we will have a winning bid with a new developer. They all have been given the directives that were generated from your community feedback, so I am optimistic we will be moving forward soon, so stay tuned.

Finally, I want to wish all the graduates and their families a hearty congratulations, as my twins are graduating from Foothill this spring.

See you around.

-Jim

Memorial Day 2025

Please join me, our Mayor and fellow City Council members at this year's Field of Honor Ceremony on Monday May 26, 9:00 a.m. at Cornerstone Park located at 1600 Wigwam Pkwy. Henderson, NV 89074, as we remember the sacrifices of the brave men and women who have made the ultimate sacrifice for our country.

New Businesses Coming to Ward 1

Exciting developments are underway in Ward 1, with several new businesses opening and breaking ground this month. Raising Cane's is officially open and ready for business on the corner of Water Street and Lake Mead Parkway. Coo Coo's Café has opened their new location on Basic, just off Water Street. Better Buzz Coffee Roasters also broke ground this month next door to Raising Cane's.

Safe Pools Rule!

I was proud to join City Council and our Henderson Firefighters as we kicked off summer with this year's Safe Pools Rule! mock-drowning and safety demonstration. The event supports community water and pool safety programs. Drownings are the leading cause of death in children under four so be sure to remember the 3 P's of Water Safety: Protect, Patrol, Prepare.

Morning Meet-Up

Thank you to everyone who attended my recent morning meet-ups. It is always a pleasure to talk about what is happening in Ward 1 and throughout Henderson. Be sure to follow me on social media platforms to be informed about my future meet-ups.

Quinton Robbins Foundation Golf Tournament

I was very honored to support the Quinton Robbins Foundation at their fundraising golf tournament, which honors Quinton who tragically passed on 1-October. The foundation raises money for scholarships in his name, continuing to support our community in his honor.

Housing Authority Family Day

My wife, Barbara, and I were happy to greet everyone who attended the Housing Authority Family Day at Morrell Park. The event was incredibly successful, featuring a variety of vendors, foods trucks and fun activities for the whole family.

Station 81 Grand Opening Ceremony

Fire Station 81, located at 1600 S Boulder Hwy, has undergone an extreme makeover and will host its grand opening ceremony on May 29 at 10 a.m. You will have the opportunity to tour the newly renovated station and meet the dedicated firefighters serving Ward 1.
