

Newsletter – January 2026

Dear Friends and Neighbors,

Happy New Year! January has blown by and so much good work has already been done. We will be making some announcements on developments in our ward over the next few months that are exciting, and I cannot wait to share the good news.

Last month, Lakemoor Development completed the clean up at the former Three Kids Mine and Pulte has commenced work on this new master planned development.

I hope your holidays were joyous; I look forward to seeing you in the neighborhood.

Jim
