Henderson Chamber of Commerce State of the Chamber

It was a pleasure to attend the Henderson Chamber of Commerce State of the Chamber Luncheon and connect with local business and community leaders who are helping shape the future of Henderson and Southern Nevada. I look forward to all we can accomplish by supporting our business community, creating opportunities, and bringing leaders together to continue building a strong and prosperous community.

Former Fiesta Site Announcement

I had the opportunity of attending the press conference announcing the next chapter for the former Fiesta site in Henderson. I am thrilled for the state-of-the-art sports fieldhouse and dining and retail space to begin development in partnership with Agora Realty & Management Inc. What a wonderful opportunity to bring new investment, jobs, and energy to our community and our residents.

Community Day of Service

Community is at its best when we come together to serve one another. It was a pleasure to be a part of the Community Day of Service and work alongside neighbors, volunteers, and local organizations who are committed to making Henderson an even better place to call home. I'm grateful to everyone who took the time to lend a hand and make a difference. Thank you for your continued commitment to Henderson.

Aries Community Announcement

I had the pleasure of attending the ribbon cutting for the new master-planned community, Aries. This master development is designed to bring new homes, amenities, and opportunities for future residents. I'm excited about what this means for the future of our city as Henderson continues to grow and thrive.

Spread the Word Nevada Book Cleaning

It was wonderful to see students and community members come together at Lake Mead Christian Academy to support Spread the Word Nevada with a book cleaning event. The organization does fantastic work by orchestrating donation drives, book cleanings, and home libraries for children in the community. Thank you to Preston for the invitation, and to everyone who gave their time and energy to support literacy in our community.

Paseo Verde Little League Celebration

We have U.S. Little League Champions in the house! Good times joining the Paseo Verde Little League celebration and honor the players, coaches, and families that put in an incredible amount of hard work to win the 2026 United States Little League World Series! I'm proud to see our young athletes grow, build friendships, and learn the value of teamwork and dedication. Thank you to everyone who supports our kids and helps make youth sports such an important part of our community, and once again, congratulations to all the champions!
