Forever One Memorial Groundbreaking

This month, we marked an important milestone with the groundbreaking of the Forever One Memorial, a project that will create a lasting space honoring the victims, survivors, first responders and everyone whose lives were forever changed by the October 1 tragedy. This memorial will serve as a place for reflection, healing and remembrance, and allows us to honor those we lost as well as the strength and unity of our community.

National Night Out

What an absolute pleasure to be part of Henderson's National Night Out and see residents, first responders, and community partners come together. Events like these are a wonderful reminder that public safety starts with strong partnerships and neighbors looking out for one another. Thank you to both our Henderson Police and Fire Departments, and everyone else who took the time to participate and help keep our community safe.

Water Street Cottages Groundbreaking

It was exciting to celebrate the groundbreaking of Water Street Cottages and see another important investment in the future of Henderson come to life. I am so excited to see the continued revitalization of our historic Water Street District, and grateful to everyone who remains committed to creating a vibrant, welcoming downtown.

Helix Electric, LLC's 25th Anniversary

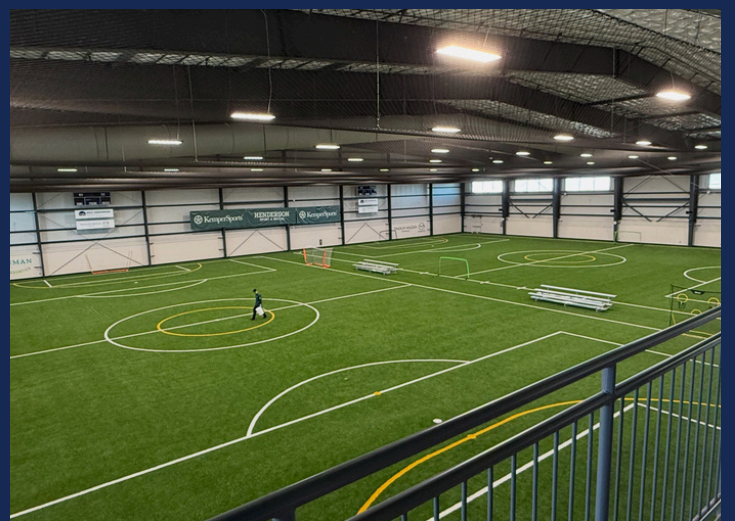

Congratulations to Helix Electric, LLC on 25 years of success in our state. The company has helped power countless developments that bring our community together and create new opportunities for growth to build a stronger Nevada. It was wonderful to celebrate this exciting milestone alongside a leadership team that has made such a meaningful impact in the construction industry and in our community.

State of the City Address

This year's State of the City Address was amazing. Kudos to Mayor Michelle Romero, we heard about the progress, growth, and exciting opportunities shaping the future of our city. Henderson continues to thrive because of the dedication of our residents, local businesses and community leaders. Student council members from Foothill H.S. and Basic Academy were my guests, enjoying a different perspective on city government and the role we all play in our city's success.

Henderson Sport and Social Grand Opening

I had a great time attending the grand opening of Henderson Sport & Social, a new destination for connection, recreation and community. Businesses like this play an important role in bringing people together and making Henderson an even more vibrant place to live and visit. Congratulations to the team behind Henderson Sport & Social on this exciting milestone, and thank you for investing in our community.
